Where the heart is ... the true story of Peter Lehmann Wines

Written and performed by Barossa's own Very Jane

This song is a tribute to the winemakers and growers in whom we place so much trust and thanks, to the dedicated winery staff and of course our world-wide family of devotees, who love our wines as much as we love making them.

It is true what is told
For great things to unfold
They say to get what you never had
You must do what you never have

And so it is, the story past
Of a legend who broke the cast
His word, His bond - a promise strong
His faith in a dream, shared by friends
belief

So if history has a place to dwell
On the prayer of a wishing well
When you reach your journey's end
Barossa heart & soul, a welcome friend

Each seasons grace, brings new
promise
On a prayer and a wish
Our place is where the Heart is

The growers, his friends,
Put their faith in his plan
With a handshake for words,
The story began.....

Each season brings us new promise
On a prayer and a wish -
Our place is where the Heart is

So if history has a place to tell.....
